**HOW TO USE THIS FORM**  
Judges use this to put a decision in writing. A ruling that is never written down cannot be appealed and cannot be enforced. Fill in the findings section honestly - it is what an appellate court will read first. Announce the ruling in open court, then file this with the Clerk the same session. Every box is blank and ready to type in; anything you type appears in black. The small grey "e.g." notes beside each label are only examples of what belongs there.
